Welcome to Camp Gan Israel at Chestnut Hill Summer 2023

Whether your camper has been coming to Camp Gan Israel for several years or is brand new, there may be changes or new information from year-to-year you should know about. This is a brief summary of changes or highlighted items we want to remind you about. As always though, if you have any questions, please don't hesitate to reach out to our office and speak with a staff member directly!

Information for New & Returning Campers

Whether your camper has been coming to Camp Gan Israel for several years or is brand new, there may be changes or new information from year-to-year you should know about.

- Same as last year, Camp Gan Israel will be using UltraCamp for all registration paperwork and communications. Your camper's UltraCamp profile is the place where you will fill out your camper's medical information, parent/guardian contact information, and other information needed to make your camper's experience at camp safe and successful.
- All camp paperwork (on UltraCamp) is due **June 12th**.
- **Campers must have a \$0 balance** for the session they are attending or risk being turned away. For information about payment plan exceptions, contact rabbi@campgan.org
- Cell phones and electronic devices (i.e. iPods, DS) are not allowed at camp.
- Drop-off at camp begins at **8:50 AM-9:05 AM**. Drop-off for morning camper care begins at 8:00 AM.
- Pick Up is between 4:00 PM – 4:10 PM and until 5:00PM if you attend PM care. Any person picking up a camper from camp, or camper care, must be listed as an authorized pick up on UltraCamp.

Communication

Camp information, calendar, lunch menu and other relevant information can be found on www.campgan.org. For administrative questions, please call our year-round (off-site) office number: 617-738-9770 X2.

We strongly believe that open communication between camp and home is in the best interest of campers, staff, and parents. We pride ourselves on our staff's accessibility. However, arrival and dismissal times are not the best times to talk. If you should need to speak with your child's camp counselor, we ask that parents either leave a message or send a note, and the counselor will get back to you within 24 hours.

Safety and Accreditation

Your child's safety is our highest priority. CGI is fully licensed as a youth camp by the State of Massachusetts Department of Health. All camps must comply with regulations of the Massachusetts Department of Public Health, including Regulation 105 CMR 430.00 Minimum Standards for Recreational Camps for Children, and be licensed by the local board of health. According to the Massachusetts Department of Public Health, parents may request information regarding background checks, health care and discipline policies as well as procedures for filing grievances.

A Security guard is stationed on the campsite daily. The guard monitors the entire campsite by physically being located where the majority of campers are at any given time, and with the help of surveillance & CCTV. Every counselor is in constant communication with the camp directors and office via walkie talkies.

As an additional precaution, all counselors are trained in CPR and First Aid. We strive to maintain low counselor/camper ratios. Certified lifeguards (in addition to counselors) supervise swimming. When on field trips, contact is maintained with the camp's main office by means of mobile communication.

In case of a medical emergency, G-d forbid, parents (or guardian) and family doctor (listed on the registration papers) will be contacted immediately.

On field trips, for safety, all campers are required to wear their camp t-shirt. If campers don't have their t-shirt on trip days, camp will provide a new one and bill parents for it. Campers wear wristbands with camp's contact information when off site.

Bottled water stations are set up around the camp site. Campers are required to drink often.

Parents are required to sunscreen their child/ren before camp and we re-apply sunscreen after lunch.

Staff Qualifications and Ratios:

Campers are supervised by qualified, trained staff members. All staff and volunteers have a background free of conduct that bears adversely upon his or her ability to provide for the safety and well-being of the campers. All staff completes a thorough orientation prior to the start of the summer which includes:

- All camp staff and volunteers are CORI, SORI background checked.
- We complete reference checks for each staff member including professional and personal references.

- All Staff are First Aid and CPR certified.
- Staff attend 20+ hours of camp training as well as mandatory annual child abuse prevention and bullying prevention trainings.

Camper Supervision Ratios

6 Years and younger 1 Staff to 5 campers

7-8 years 1 Staff to 8 campers

9-15 years 1 Staff to 10 campers

Rule of 3

Staff will observe enforce the Rule of 3 at all times, which states: “For any multiples of campers or campers and staff, there can be no fewer than three individuals present in either of the following combinations: 1 staff & 2 campers or 2 staff & 1 camper.

Activity Ratios

Activities require at least two staff for supervisory purposes. When factoring staff into ratio, specialist staff (theater, sports, and lifeguards) do not count unless they are not facilitating an activity or engaged in their specialize duty. Lifeguards who are actively guarding are not in ratio. Lifeguards who are not actively guarding may be counted if they are aware they are to engage in general camper supervision.

Prevention of Abuse and Neglect

All staff are required to immediately report any suspected child abuse or neglect to the Camp Director. She will immediately report suspected abuse or neglect to the Massachusetts Department of Children and Families and also notify the board of health if a “51A” Child Abuse / Neglect report alleging abuse or neglect of a child. Our staff will cooperate in all official investigations of abuse and neglect. After DCF is notified allegedly abusive/neglectful staff cannot have any unsupervised contact with campers.

Preparing for Camp

In accordance with the Massachusetts Department of Public Health Minimum Standards for Recreational Camps for Children, our camps have health care consultants—a licensed physician, nurse practitioner or physician assistant with pediatric training—that oversee our health care policies and staff training in addition to being available for consultation. In addition, all camp staff are certified in First Aid and CPR.

NO CHILD WILL BE ALLOWED TO ATTEND CAMP WITHOUT A COMPLETE HEALTH RECORD

As required by state and local regulations, each camper must submit a complete health record, which includes all of the following:

1. A completed UltraCamp profile.
 - UltraCamp is a fully electronic camp management system which ensures the best, most personalized care can be given to each camper.
2. A Certificate of Immunization (or Vaccine Administration Record) signed by a licensed health care provider that includes evidence of the following vaccines:

- Measles, Mumps and Rubella (MMR) ○ Polio (IPV or OPV)
- Diphtheria and Tetanus Toxoids and Pertussis (DTaP/DTB/DT or Td)
- Hepatitis B

3. You must also complete a Camper Health History form for your camper(s).

SPECIAL NOTE: No child known to be suffering from a communicable form of tuberculosis, or any other communicable disease, is allowed to attend any recreational camp in Massachusetts, including Camp Gan Israel. Parents/guardians are required to list any special limitations or concerns including dietary restrictions, allergies, and chronic health conditions on the camper's Health History Form. This information will only be made available to camp staff and will be used to ensure your child has a safe summer.

If something (i.e. restrictions, medications, conditions, etc.) changes between the date the Health History information is submitted and the time camp begins, please notify the Camp Director of these changes in writing.

Important information re: 'The Beach' at Morses Pond.

As per State law called 'Christian's Law' All 'non swimmers' need to purchase & wear a type 3 coast guard approved personal floatation device. Many Puddle Jumper type flotation devices are approved, you can check the label to ensure it is a type 3 coast guard approved. 'Non-Swimmers' are classified as those who do not meet criteria for a Red Cross Level 3 swim rating - which is *Jump into deep water from the side, swim front crawl for 15 yards, maintain position by treading or floating for 30 seconds and swim elementary backstroke for 15 yards.*

Parents will need to provide a type 3 coast guard approved personal floatation device, such as [this](#) to be used at Houghton's Pond. 'Non-Swimmer' Campers, who do not have a flotation device cannot enter the water at Morses Pond.

Periodically, campers will enjoy on-site water activities, parents will be notified as needed.

Arrival and Dismissal

Parents will be dropping off and picking up their children in a car line at the circle drive of Solomon Schechter Lower School. 60 Stein Circle, Newton, MA 02459

The drop-off area will be supervised beginning at 8:50AM until 9AM, and pickup from 4:00 PM until 4:10 PM. Counselors will escort the children to and from the car. Please be mindful of the fact that many cars will be arriving at once and we need to keep the cars moving quickly and smoothly without backing up the street. **If you drop off after 9:05 AM, you need to escort your child to their group.** If you need to speak to a camp administrator or wish to walk your child in, please pick on the left-hand side of the road and enter the building through the main entrance.

ALL CAMPERS MUST BE ELECTRONICALLY CHECKED IN UPON ARRIVAL AT CAMP OR AT THE BUS AND CHECKED OUT ELECTRONICALLY WHEN PICKED UP. Campers that are not electronically signed in or out will not be accounted for that day.

PLEASE BE MINDFUL OF THE RESIDENTIAL NEIGHBORHOOD WE ARE IN AND RESPECT THE SPEED LIMIT AND NEIGHBOR'S DRIVEWAY ACCESS.

Morning Drop Off Procedure

Cars pull up along the school side of the street. Stop to check-in with staff at the entrance to Stein Circle.

Please proceed along the drive to where the chain link fence begins and up to the parking lot entrance. Campers will be greeted by camp staff and brought into the morning line-up area. Camp staff are not permitted to cross campers across the street. Move over to the left side of the road to exit Stein Circle.

Afternoon Pick-Up Procedure

Campers will be assembled in the line-up area for afternoon line-up & dismissal. Parents can either park on the left side of the circle and congregate outside the chain link fence area or stay in your car and pull up on the right side for pick up. For your child to be safely dismissed, a head staff member must dismiss them by name, and you must electronically check your child out.

Please DO NOT enter the gate area. This is for camper safety.

If there is a need to pick up your child any time during the day, please make sure to notify us in advance, so we can have your child ready. This causes minimal activity disruption and a more seamless pick up. We request no pick-ups between 3:30 pm- 4:00 pm.

A note on greetings: Parents want to see their child greeted warmly at the start of the day and rightfully so. Our greeting time extends until 9:05AM. After that, we start activities and the focus of the staff must move forward. For your child to have that warm beginning, it is important that you arrive on time. If you are late, we will do our best to smooth the way, but please understand the limits of the situation.

Late Fees

A late fee will be charged for parents/guardians who arrive after the designated end time of the program. The fee is \$10.00 per child for the first one to ten minutes late. An additional \$1.00 per child will be charged for each minute late thereafter. It is required that all children be picked up no later than the times listed above in order to avoid late fees. The Camp Director reserves the right to suspend or dismiss a child from camp if a parent is late to pick up his/her child on numerous occasions.

Change of Dismissal Plan

Campers will only be dismissed to authorized adults on their registration form. You can access your child's portal at any time to update this information. If you make a change within 24 hours of pick-up, email us at office@campgan.org as well to notify us of the change. Do not leave a phone message. This includes changes in car-pool arrangement, play dates, etc. If both parents are out of town, camp must be informed. Any person picking up your child must be on the authorized pick-up list, otherwise a note must accompany the child.

Planned or Unplanned Absence

Please call the day before if you know your child will not attend camp. We request a phone call by 9:15 a.m. if absence is unexpected.

What to Bring to Camp Daily

Each day all campers need to come to camp dressed for a morning of active activities at camp. Every camper needs to pack all their swim/water apparel and shoes in their backpacks. Depending on swim time, we may request campers arrive at camp in swimsuits with cover-up. We will notify parents in the weeks before camp begins.

- Extra full change of clothes in separate bag to be left in camp locker
- Campers need to wear a camp t-shirt & sneakers/closed toe shoes daily.
- On Tuesday's campers do not need a camp t-shirt- we encourage them to participate in the camp dress up theme of the day- See list below

- Do not send glass jars/bottles.

Nut Policy

We are a nut-sensitive camp. Everything we serve and cook at camp is 100% NUT FREE. Campers may bring nut products to camp, if there is a child with a nut allergy in their group, the camper with the nut product will eat separately from the nut allergy camper. Camp Gan Israel will continue to meet the needs of campers with additional allergies and will work with parents and medical staff to make sure camp is safe for all our campers.

Tzedakah

Tzedakah (charity) is a concept that is fundamental to Judaism. Our camp attempts to develop a commitment among our campers to share with others less fortunate than themselves by donating a few pennies every day to charity.

Dress Code

For safety, children must wear appropriate shoes. No slides or flip-flops are only allowed for water activities. Croc-style shoes are not appropriate for athletic activities.

It is mandatory that campers wear a CGI t-shirt on trip days. One T-shirt is provided for each camper. Additional camp shirts are available for purchase at \$10 per shirt. Shirts may be purchased at the orientation on June 25th or on your camper's first day.

Campers are encouraged to wear their camp T-shirt as often as possible.

Behavior Management

Behavior and Disciplinary Policy

Campers at Camp Gan Israel are expected to exhibit appropriate behavior. Our goal is to nourish community investment in every camp and counselor that results in behavior that does no harm and benefits all. With that in mind, focused guidance and/or discipline may be necessary at times. Camp Gan Israel staff will strive to be consistent and base disciplinary approaches upon an understanding of individual needs, safety, group health, and personal development.

In accordance with state regulations, we prohibit corporal punishment, cruel or severe punishment, humiliation, or verbal abuse. Campers will not be punished for soiling, wetting, or not using the toilet. Campers will never be denied food or shelter as a form of punishment.

Disciplinary Progression

If a camper does or says something inappropriate (i.e. breaks one of the "camp rules"), staff are required to speak to the camper about the inappropriate action. Staff must ensure that campers are aware of prohibited language and actions. We stress and highly value learning from mistakes. After the conversation, staff may return the camper to the group or continue the disciplinary process. If the camper exhibits the same or similar behavior a second time, staff must again speak to the camper about the action. Staff may use discretion in asking the camper to take a time out and sit in a "thinking spot." Before reintegrating the camper, a staff member will speak to the camper about what happened and about better decision-making. Staff will report recurring incidents. Parents will be informed. If the child continues in a pattern of repeated negative behavior, counselor-staff will refer the camper to the Division Head, Head Counselor, Program Director or Camp Director. An incident report form will be drafted and the parents will be notified. Loss of privileges may occur at this point.

Director Involvement & Dismissal

Depending on the severity of the incident, the following may occur: take a break (typically for an amount of time equal to the camper's age in minutes), revoked privileges, a call to parents or guardians, suspension, and/or termination from camp. Campers removed from camp for disciplinary reasons are not given refunds. The Camp Director reserves the right to dismiss any camper if his/her behavior compromises or threatens to compromise his/her personal safety, the safety of other campers or the safety of camp staff. If the Camp Director feels s/he must dismiss a camper, the situation will be discussed with the camper's family.

Other Situations Warranting Intervention:

Major Disciplinary Incidents:

- Excessive repetition of minor incidents

Minor Disciplinary Incidents:

- Minor rule infractions

- Fighting or Bullying
- Repeated disrespect for others
- Vandalism
- Endangerment
- Interference with group cohesion
- Acts of Violence
- Running away

Administration of Medication

If your camper requires prescription medication while at camp, the medication must be in the original prescription container. All over-the-counter medications for campers shall be kept in the original containers, which shall include the directions for use.

If your camper's medications have changed since you submitted the Health History Information, you must provide written notice (through email or your UltraCamp portal) and permission for

camp staff to administer the medication to the camper. This note should include the medication name, dosage, time to be given, and dates to be given. If your child's medications have not changed since you submitted the Health History Information, you do not need to do anything further.

Infection Control

We follow exclusion policies for serious illnesses, contagious diseases, and reportable diseases in conformance with the regulations and recommendations set by the Division of Communicable Disease Control, Department of Public Health. Procedures do include the notification of all parents in accordance with Department of Public Health recommendations.

Mildly Ill Campers

Campers and staff are required to properly wash and dry their hands during the day. Everyone is instructed to wash their hands before eating and after toileting (or diapering).

We ask families not to send their camper(s) to camp if sick or contagious. If a camper becomes ill during camp with any of the symptoms of COVID-19 including fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body ache, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea the child will be isolated. The parents, guardians, or emergency contacts will be called immediately to come and pick up the ill camper. Families are asked to keep ill campers from returning to camp until the camper has gone a full 24 hours without vomiting or a fever.

Emergency Health Care

If your child is seriously injured while at camp, s/he will be transported to Newton Wellesley Hospital (617-243-6000, 2014 Washington Street, Newton) or to the Children's Hospital Boston (617-355-8811, 300 Longwood Ave, Boston). A staff member will accompany him/her via ambulance and the parent/guardian will be notified immediately.

If any health-related forms or information are incomplete or missing, they must be submitted or completed before leaving your child in our care. In the event of a medical emergency, our staff will consult the health history and medical records provided for the camper. Without that information, campers are at unnecessary risk. If a camper arrives at camp without all the necessary forms and information, we will call a parent or guardian to pick them up.

Personal Property Regulations

All campers, staff and guest instructors must adhere to the following rules:

- Alcohol and drugs may not be brought on camp property.
- Camp cannot take responsibility for personal property brought to camp.
- If campers bring iPods, cell phones, digital cameras, or any other expensive item to camp, and they are brought out while camp is in session they will be confiscated and returned to the parents at the end of the day.
- If campers or staff bring potentially dangerous articles to camp, such as skateboards, slingshots, etc. they will be confiscated by the Director.
- The Director will either return to the camper or staff at the end of the day or call parents.

- Animals are not allowed on campus.
- Weapons are prohibited on campus. Any staff member or camper who brings a weapon (including a gun, large knife) onto premises will be immediately dismissed from our program.

Tipping Counselors

We are only able to deliver quality programming because of the high-quality staff we hire. This year's counselors are really phenomenal. They are enthusiastic, motivated, and committed to making your child's summer experience a memorable one. In addition to some local recruits, we also have many counselors who will be traveling from as far away as Florida, California and South Africa. These young women will do an exceptional job, and your child will reap the benefits of their hard work. To this end, it is a welcomed gesture to show them your appreciation. Although not required, a suggested gratuity at the end of your child's session would be \$20-\$30 per counselor.

Grievances

If you have a concern or complaint in relation to your camper's group, counselor, camp experience, or other children at camp, please contact the camp office to speak with your camper's Division Head (617-630-4677). If your issue is not adequately addressed or if your issue is in relation to the overall camp operation, please speak with the Camp Director (grunie@campgan.org or 617-323-2000) She may request you set-up an appointment to ensure you receive the attention you deserve.
